A WORD ABOUT OUR REPUTATION AND OUR QUALITY SEED

REPUTATION is the approval of a multitude of satisfied customers. It is the endorsement of those who speak from personal experience. It is the sure guide that may be followed in the purchase of any article.

SEEDS having a REPUTATION possess the finest proof that they are the best. The fact that they HAVE A REPUTATION is proof that they must have been tested and that they are recommended by those best able to judge them—the customers.

There is a REPUTATION OF ONE HUNDRED AND FIVE YEARS STANDING back of the SEEDS grown by BOLGIANO OF BALTIMORE.

Our SEEDS are grown in locations where conditions are ideal to bring them to perfect maturity. No effort or expense is spared in keeping our stocks at the highest degree of excellence.

Generation after generation of critical truckers, market gardeners, and private growers, in every state in the Union have used them.

We solicit your business.

Faithfully yours,

THE J. BOLGIANO SEED CO.

We Believe Our Seeds will produce for you the best crops you have ever grown, and to show what confidence we have in our seeds, if they prove otherwise than represented by us, we will refill your order free of charge; but it must be agreed that we do not warrant the crops grown therefrom, either expressed or implied, as to description, purity, productiveness or any other matter, and we will not be in any way responsible for them. If the purchaser does not accept our seeds, etc., on these terms they are at once to be returned and the money that has been paid for the same will be refunded.

BOLGIANO'S SEED IS THE BEST

On March 7th, 1923, L. I. Peed, Newland, Va., wrote: "I have tried Garden Seed from several firms, but I have had more success with Bolgiano's than any I have tried. Have found them true to name, of strong germination and vigorous growers, and can recommend them to anyone wanting the best in seeds. I have been especially successful with your Early Fortune Cucumbers and California Wax Beans."
